### **Highlight Group raises forecast for 2014**

**Pratteln, November 7, 2014** – As a result of the positive operating business performance in its Film segment – in particular in the areas home entertainment and TV exploitation – in the first nine months of the current fiscal year, Highlight Communications AG (ISIN: CH 000 653 9198) is raising its forecast for the consolidated net profit in 2014 as a whole.

From today's perspective, the Board of Directors of the company is now assuming a consolidated net profit of CHF 12 million to CHF 14 million and earnings per share of CHF 0.27 to CHF 0.31. The Board of Directors adheres to the previous forecast for consolidated sales in 2014 and continues to anticipate consolidated sales in a range of CHF 380 million to CHF 410 million.

The interim report as of September 30, 2014 (German version) will be published on November 12, 2014, and will be available for download on the Internet from this date at [www.highlight-communications.ch](http://www.highlight-communications.ch).
