Forecast revision

Highlight Group raises earnings forecast

Pratteln, October 30, 2015 – As a result of the positive operating business performance in its Film segment in the first nine months of the current fiscal year and the anticipated business development in the fourth quarter, Highlight Communications AG (ISIN: CH 000 653 9198) is raising its forecast for the consolidated net profit in 2015 as a whole.

From today's perspective and based on nearly stable currency exchange rates, the Board of Directors of the company is now assuming a consolidated net profit attributable to shareholders of CHF 16 million to CHF 18 million and earnings per share of CHF 0.36 to CHF 0.40.

The Board of Directors adheres to the previous forecast for consolidated sales in 2015 and continues to anticipate consolidated sales in a range of CHF 310 million to CHF 330 million.

The interim report as of September 30, 2015 (German version) will be published on November 10, 2015, and will be available for download on the Internet from this date at www.highlight-communications.ch.
